

President

Summary

I have forty years in the fields of accounting and data processing. I have been serving as President for Advanced Accounting Systems Inc for eighteen years.

Experience

Harrisburg West Motor Inn, New Cumberland PA 1972 to 1977

Various

I started as assistant desk clerk and worked my way to accountant. My last action was to file the corporate tax return. The company dissolved in 1977.

Penn Graphics Supply Co., Harrisburg PA 1978 to 1981

Accountant/Computer Programmer

Responsible for all accounting functions as well as programming for a B700 computer. Supervised one employee. Reported directly to president.

- Our accounting software from the vendor did not meet our needs. I was responsible for the implantation of new systems.

ITT Business Communications, Harrisburg PA 1981 to 1984

Programmer/Programmer Analyst

Started as Computer Programmer and was promoted to Programmer Analyst.

- Rewrote the Cost of Sales System. I was involved in the conversion of software from a NCR mainframe to an IBM mainframe.

Self Employed Consultant, Dillsburg PA 1984 to 1986

I did consulting for a number of companies, but mostly for Exel Technical Services located in Costa Mesa CA.

- Designed and implemented an accounting system.

Book of the month club, Mechanicsburg PA 1986 to 1988

Computer Programmer

Computer Programmer.

CACI, Mechanicsburg PA 1988 to 1990

Team Leader

Responsible for designing a computer application related to the re-systemization of the United States Navy's data base. Supervised up to ten employees.

- My application was the first to be accepted by the United States Navy.

Bookkeepers Deluxe Ltd, Mt. Airy MD 1990 to 1996

Vice President

Responsible for the implementation and on going processing of accounting systems. Wrote two software applications. Clients include non profits organizations, retail, and service companies.

Advanced Accounting Systems, Inc, East Berlin PA 1997 to Present

President

Responsible for the implementation and on going processing of monthly accounting for a variety of clients. Clients have included auto service centers, Veterans organizations, cleaning contractors, travel agencies, retail stores, Chambers of Commerce, construction, manufacturing and rental companies.

- I am known for trouble shooting. I have been involved in several embezelment cases.

Hawk Business Systems, Gettysburg PA

1992 to 1994

General Partner

Responsible for the financial health of the company.

- Company sold for a profit in 1994.
